ACTION LOVE

To Whom it May Concern,

As we're just heading into fall, and the leaves are turning gorgeous crimson, burnt orange, and saturated yellows it reminds me that the spiritual season turns as well. We are welcoming the season to celebrate Jesus' birth, and share the love of Jesus in a very practical with some families in need from our local schools.

We are currently connecting with counsellors at our local schools sourcing around 30 families for this year's Christmas dinner and outreach. It is our goal to show God's heart of love to these local kids and their families by blessing them at Christmas.

We are a small group of volunteers, so I sometimes marvel at how miraculous it seems that we can make meaningful contact with 25-30 families each year, providing a sit-down Christmas dinner, presents and jackets for 50-70 people, and a beautiful hamper of food for each family.

There is joy in being part of this ministry. This year already one of our volunteer shoppers has reported, "While making a large clothing purchase for 9 families, I was helped by a believer, who spoke words of blessing over our ministry—and proceeded to significantly discount the total purchase by hundreds of dollars! God works in mysterious and miraculous ways. He loves these kids and their families!"

Would you consider sponsoring:

- 1 family for Christmas dinner \$40
- Gifts and jackets for 2 kids \$100
- 10 hampers \$600
- General donation \$ _____ towards jackets, gifts, hampers and dinner

We are excited to partner with you to help these kids and their families!

Kind regards,

The Action Love Ministry Team;
Jarno & Liisa Karjanlahti, Kimberly Rautava & Nancy Noso
